

Alignment Automations

— DONE-FOR-YOU INTAKE SYSTEM

Every lead answered, booked, and logged — without you touching the tech.

We build and run your whole intake system for home service contractors. You stay on the job; we make sure no lead slips through.

t = 0s

Lead comes in

Website form or a missed call — even at 9pm.

+ seconds

Instant reply

They get a text & email back with a booking link.

+ 30s

Booked

They pick an estimate slot on your calendar.

Logged

Tracked

Every lead saved, you're notified instantly.

— WHAT'S INCLUDED

- ✓ Conversion-focused website, built & hosted
- ✓ Domain setup & configuration
- ✓ Missed-call text-back
- ✓ Instant confirmation + automatic follow-up emails
- ✓ Online booking synced to your calendar
- ✓ Lead logging + instant notifications to you
- ✓ All software & tool costs included
- ✓ Ongoing monitoring, edits & maintenance

ONE SIMPLE PLAN

\$1,500 setup
\$297 / month

Everything above is included — there are no add-ons or separate software bills.

No lock-in. No long-term contract and no accounts for you to manage. Cancel anytime and we hand it all over — it stays yours. If you already have a website, we build around it (or rebuild it) at no extra charge.

Ready to see it for your business?

Book a free 15-minute demo — we'll show you exactly what we'd set up and run. Setup takes about 5–7 days.
